### Core Content Area/ Tier 1: Instructional Observation

<table>
<thead>
<tr>
<th>Observer</th>
<th>Referred Student</th>
<th>Start time of observation</th>
</tr>
</thead>
<tbody>
<tr>
<td>Teacher</td>
<td>Grade</td>
<td># of students</td>
</tr>
<tr>
<td></td>
<td>Language of instruction</td>
<td>Finish time of observation</td>
</tr>
</tbody>
</table>

#### Content area(s): Reading

- Phonemic Awareness
- Phonics
- Fluency
- Comprehension
- Vocabulary
- Writing
- Computation
- Word problem solving
- Whole Group
- Small Group
- Partner
- One-to-One
- Co-teaching

#### Core Content:

**Instructional objectives/ Lesson Activities/ Strategies**

**Student engagement/ Maximization of instructional time/ Pacing**

**Features of effective Instruction**

- Explicit instruction
- Modeling
- Guided practice
- Immediate corrective feedback
- Practice to automaticity
- Scaffolding for understanding
- Material matches student needs

**Observation of referred student’s participation**

**Classroom management/ Interruptions/ Behavior redirections**

**Corrective Feedback/ Accountability for student work**

**Differentiation instruction (materials, activities, student products)**
